ABOUT THE WALK

The Complete Walk consists of 37 specially-made short films, each approximately 10 minutes long, playing on a loop along a 2.5 mile route between Westminster and Tower Bridge.

Each film explores one of Shakespeare's plays and includes scenes shot in the locations Shakespeare imagined when he wrote them, as well as footage from the BFI's Silent Shakespeare series and Globe On Screen filmed stage productions.

Join us for the complete route or catch a few of the films exploring your favourite plays.
